

Draw It!

1. Draw 1 or 2 of your favorite things that are made from milk.
2. Write the name next to each thing you draw.
3. Then share your drawing with a friend. Did you draw the same things? Can you think of more than two?
4. Use a piece of paper to draw more things.

Practice

Count the word **milk** on the "Moo to You" web page.
How many times did you circle milk?

Write the word **milk** here.
