# Cause and Effect

**Do you know what cause and effect are?
That is when something happens (cause), and that causes something else to happen in response (effect).**

**Read the text on pages 4 and 5 again. Then list 3 examples of cause and effect that are described in the text.**

Example: Drip irrigation delivers water to the root of the plant (cause).
That way, less water evaporates into the air (effect).

**1.** Cause: _____

Effect: _____

**2.** Cause: _____

Effect: _____

**3.** Cause: _____

Effect: _____
